Club Policies

1. OVERVIEW

1.1 Concept & Mission

VEGA Private Members Club is a private (members-only) hospitality and lifestyle club, designed for a community of like-minded individuals who appreciate culture, gastronomy, and meaningful connection.

Membership grants exclusive access to dining, social, and cultural experiences within an environment that blends discretion, comfort, and sophistication. Access to the Club and its facilities is restricted to members and their guests, ensuring an atmosphere of privacy, trust, and belonging.

The Club is a space to connect, share ideas, and enjoy a curated calendar of events in a setting that celebrates craftsmanship and authenticity.

1.2 Philosophy & Values

VEGA's spirit is built on four pillars:

- **Privacy:** Safeguarding the identity, intimacy, and personal space of every member, upholding an unwavering sense of discretion in every interaction.
- **Connection:** Bringing together leaders and creatives from diverse fields.
- **Culture:** Celebrating gastronomy, art, and design as forms of expression.
- **Excellence:** Pursuing the highest standards in service, ambience, and experience.

1.3 Confidentiality & Discretion

All information regarding VEGA's members, guests, and internal operations is strictly confidential.

Photography, filming, or the disclosure of private details about other members or events are not permitted.

This policy ensures that each member enjoys the Club's atmosphere with complete privacy and peace of mind.

1.4 Legal Disclaimer

Access to the Club and its facilities is reserved exclusively for members and their registered guests.

By applying for and accepting membership, each member agrees to comply with VEGA's Club Policies and Code of Conduct.

The management reserves the right to refuse entry or revoke membership at its discretion in cases of non-compliance.

*THE CLUB IS NOT SIMPLY A PLACE TO MEET,
IT IS A SPACE TO BELONG*

Club Policies

2. MEMBERSHIP STRUCTURE

2.1 Nature of the Membership

VEGA is pleased to offer non-equity memberships (the “Memberships”), which grant individuals (“Members”) access to the Club and a curated range of benefits, privileges, and services (the “Membership Benefits”).

Memberships are non-transferable, except for Owner and Founder tiers, which may be considered for transfer after five (5) years from the date of joining, subject to VEGA’s review and approval to ensure the integrity and continuity of the community.

2. MEMBERSHIP STRUCTURE

2.3 Fees, Payments & Credits

IT’S NOT ABOUT HIGH FEES. IT’S ABOUT HIGH STANDARDS.

The fees are more accessible than those of other Members Clubs in Madrid, as VEGA’s philosophy is not about setting high barriers, but about being selective and ensuring the right people become part of the community.

Depending on age or marital status, there are special membership options, and those seeking enhanced benefits may apply for the Founder Membership:

Membership fees, initiation fees, and other payments are non-refundable, unless otherwise determined by VEGA at its sole discretion.

Membership credits are valid exclusively for bar consumption. Ultra premium references are excluded (those listed above 30€/drink)

All additional charges (including food, beverage, and services) may be billed directly to the payment method on file, unless an alternative method is specified at the time of purchase.

VEGA reserves the right to modify membership fees, credit policies, or payment terms from time to time, with prior written notice to Members.

VAT is included in all Membership fees, except for Corporate Memberships, for which VAT will be added to the corresponding invoice.

Membership renews automatically on its anniversary date unless otherwise notified.

2.4 Community Parameters

Applicants must be at least twenty-one (21) years of age.

VEGA seeks to foster a balanced and diverse community, guided by the following parameters:

- **Age balance:** approximately one-third of Members under 35.
- **Gender balance:** equal representation of men and women.
- **Nationality mix:** approximately 60% national and 40% international.
- **Professional diversity:** an equitable distribution across industries.

These parameters are aspirational and may evolve as the community grows.

Club Policies

2. MEMBERSHIP STRUCTURE

2.5 Member Obligations

By becoming a Member, each individual agrees to:

- Abide by the Membership Terms, Club Rules, and Policies established by VEGA.
- Ensure that their guests also comply with all Club regulations.
- Keep VEGA informed of any changes to their address, email, or telephone number relevant to the administration of their membership.

2.6 Risk & Liability Disclaimer

Members, their families, and guests use VEGA’s facilities and services at their own risk.

VEGA accepts no liability for accidents, injuries, or losses except where required by law.

By joining, Members agree to indemnify and hold VEGA harmless against any claims, damages, or expenses arising from their actions.

Membership does not create third-party rights; only Members and VEGA have enforceable rights under the Membership Agreement.

3. ADMISSION PROCESS

3.1 Application Process

Membership at VEGA is by invitation or recommendation only.

Candidates must complete the Membership Application Process, which includes:

1. Submission of the official application form and required personal details through the website: <https://vegamembers.club/memberships/>
2. Acceptance of the Club’s Terms, Rules, and Policies.
3. Payment of any applicable initiation or application fees.

Candidates may be either:

- Proposed and seconded by existing Members of the Club; and/or
- Appointed directly by the Proprietor, at its discretion.

Proposers and seconders must vouch for the character and suitability of the candidates they put forward and comply with any application requirements determined by the Proprietor.

The Club may request additional information or references before making a decision. Any omissions or inaccuracies in the application may result in its rejection.

Candidates not accepted may reapply after a period of twelve (12) months, or sooner at the discretion of VEGA.

Club Policies

3. ADMISSION PROCESS

3.2 Admissions Committee

All applications are reviewed by the Admissions Committee, which acts independently to evaluate each candidate in accordance with VEGA's principles and community balance.

The Committee may consider:

- The candidate's personal and professional background.
- The recommendation and endorsement from existing Members.
- The potential contribution of the candidate to the cultural, social, and professional diversity of the Club.

The Committee and the Proprietor retain sole and absolute discretion to approve or reject any application without providing reasons. All deliberations are strictly confidential, and decisions are final.

3.3 Review & Approval Procedure

Once an application is received, VEGA will review the submitted information and verify its completeness. During this period, the Club may contact the candidate or the proposers for clarification or additional documentation.

Candidates who meet the requirements and are approved by the Admissions Committee will receive an official acceptance letter.

Membership will only become effective upon payment of all applicable fees and the Member's agreement to abide by the Club's Terms and Policies.

Unsuccessful candidates will be notified in writing and may reapply after the designated period.

3.4 Payment & Confirmation

By signing the Membership Agreement, Members authorize VEGA to charge their designated payment method for all applicable dues, fees, and other Club-related charges, including taxes and processing fees.

The Initiation Fee is payable within seven (7) days of notification of acceptance. VEGA will automatically charge the authorized payment method for both the Joining Fee and the Annual Membership Dues.

All payments must be made on time and through the authorized payment method. Failure to maintain a valid payment method or repeated late payments may result in suspension or termination of Membership.

If a payment cannot be processed, the Member will be notified and must settle the outstanding balance within five (5) business days. Failure to pay within thirty (30) days may result in termination.

Billing disputes must be reported to billing@vegamembers.club within thirty (30) days of the charge. Unresolved disputes will follow the Club's dispute-resolution procedures.

VAT is included in all fees, except for Corporate Memberships, where VAT will be added to the invoice.

Memberships are granted on an annual basis and automatically renew unless the Proprietor notifies the Member otherwise.

Upon activation, Members receive a physical or digital Membership Card for access to the Club and its services. The card is personal, non-transferable, and remains the property of VEGA.

3.6 Privacy & Data Protection

VEGA is committed to protecting the privacy of all candidates and Members.

Personal information shared during the application process or while enjoying membership benefits will be handled in accordance with data-protection legislation and VEGA's internal standards.

Information will be used exclusively for membership management purposes and disclosed only as required by law.

Members must provide VEGA with a valid mailing and/or email address and promptly notify the Club of any changes.

3.7 Legal Framework & Confidentiality

The admission process and all related deliberations are confidential and privileged.

All communications, recommendations, and decisions of the Admissions Committee and the Proprietor are final and not subject to appeal.

By applying for membership, candidates agree to:

- Be bound by VEGA's admission principles, rules, and procedures.
- Accept that admission decisions are made solely at the discretion of the Admissions Committee and the Proprietor.
